

**The Face of Bohemian Style**  
**AMY BAY**

Discovering eclectic, one-of-a-kind items and bringing new life to them through paint or a new purpose, free of limitations, is what Bohemian Style is all about. Amy Bay, longtime resident of the Tampa Bay area and proprietor of a new local haunt in South Tampa, All Boho Chic HOME, continues to discover new ways to share her custom jewelry, up-cycled accessories and repurposed goods that speak to everyone a little differently.

With something always "new" in the shop, Amy looks forward to providing the Bohemian Style that has a place for everyone ... where life and ideas are always bohemian.
