

The Face of Family Law
MICHAEL LUNDY
OLDER, LUNDY & ALVAREZ

Michael Lundy is one of Tampa Bay's leading marital and family law attorneys. He has built a superb reputation as both a tenacious trial attorney and a highly skilled collaborative attorney, which is a rare combination. His background in mergers and acquisitions and securities law has given him a unique ability to handle complex financial and business matters in his family law cases.

A Yale graduate and Florida native, Lundy and his partner have built one of the largest family law practices in Florida.

The firm's success in marital and family law also has lent itself to expansion into other areas of law, including personal injury, business litigation, real estate, corporate, tax and estate and probate.
